ascilite Community Mentoring Program (CMP)

- Commenced in 2003 (thanks to Gerry Lefoe!)
- 40 members taken part over the eight years
- ascilite membership survey (2010):
 - 59.6% of respondents regard CMP as a worthwhile
 - 36% not sure about the value of continuing the program
 - 82.8% have seldom or never engaged with the program.

To increase engagement and spread the “reach”:

- pilot collaborative CMP program (C²MP) trialled in 2011 to run parallel to the existing CMP.

CMP

- One to one mentoring

C²MP

- 2 mentors matched with 3-6 mentees

The Collaborative Community Mentoring Program aims to....

... build upon the strengths of the Community Mentoring Program;

... extend the reach and benefits of mentoring across the ascilite community;

... explore the affordances of collaborative mentoring in a digital environment.
