ICMS2014 invites authors to submit original and unpublished work. All submitted papers (in DOC) should be written in English.

Each paper will be peer-reviewed. Submission implies the willingness of at least one of the authors to pay the conference registration fee. ICMS2014 Papers should be submitted to the online submission system (https://www.easychair.org/conferences/?conf=icms20141).

Please click Submission through EasyChair requires that an account in the system be created by a prospective author first. In order to create a new account, select the "I have no EasyChair account" option and follow the instructions given. If you already have an EasyChair account for other conferences, you can use that account to submit.

Please follow the conference manuscript format before you submit your manuscript.
