Welcome from the ANZAM President

Welcome to the 22nd annual ANZAM conference hosted by the University of Auckland Business School.

The choice of theme for this year’s ANZAM conference, Managing in the Pacific Century, has once again created a space in which we can apply our scholarship in diverse ways.

The high quality and breadth of papers submitted for review is testimony to this. The resulting program with its 16 streams for papers, complemented by the professional development workshops, ensures you will have the opportunity to engage with a wide range of approaches.

The keynote presentations by Professor Anne Tsui and Professor Kulwant Singh will provide important forums for us to engage further with the theme with these internationally renowned scholars.

A significant dimension to the conference is the opportunity to catch up with colleagues from across Australia and New Zealand and more widely.

The conference program, the complementary social program and the pleasing surrounds of the Auckland Business School should ensure you are able to do this with ease.

Enjoy ANZAM in Auckland.

Professor Alison Sheridan
ANZAM President 2008

Welcome from the Conference Chair

It is with pleasure that I welcome you to the 22nd ANZAM Conference in Auckland, New Zealand.

The pattern and pace of economic transformation in the Pacific Rim is unprecedented and presents new challenges and new opportunities for organisations throughout the world.

The role of managers, management and leadership will be fundamental to this transformation. Irrespective of the sector, the industry or the form of the organisation, the ability to respond and adapt in a world increasingly dominated by Asia-Pacific alliances, innovations and enterprise will be essential to an organisation’s competitive success.

These issues create an excellent thematic background for the scientific program, which will be supported by a social program in a city that has everything to make a delegate’s stay enjoyable.

I look forward to meeting with you during the conference.

Professor Marie Wilson
Conference Convenor
