

# Constitutional and International Law Perspectives

Gabriël Moens, Univ. of Queensland Press, 2000 - [Law](#) - 271 pages

This book honours the late Professor Richard Darrell Lumb and his distinguished contribution to the fields of constitutional and international law and jurisprudence. Some of Australia's most highly regarded legal minds provide a timely examination of both the formation of the country's legal and constitutional foundations and the challenges which confront this framework as it continues to evolve.
