Engineering the Curriculum

All papers accepted for publication in the Proceedings of the 20th Annual Conference for the Australasian Association for Engineering Education were submitted as full papers and were double blind peer reviewed. Authors were given the opportunity to amend their paper in light of these reviews before the decision to accept and publish the paper was made. This process of reviewing is in accord with the criteria set by the Department of Education, Employment and Workplace Relations (DEEWR) of the Australian Government for published papers. Author: Australasian Association for Engineering Education Conference (20th:2009).

Editors: Dr Colin Kestell, Dr Steven Grainger, Professor John Cheung.
