NOTE FROM THE EDITOR

The India-USA Global Business and Networking Strategy Conference 2009 well surpassed the previous year and was a resounding success thanks to the wholehearted contributions of dozens of well-wishers from government, industry, and academia. Congratulations to every contributor! The information shared and the networking opportunities were phenomenal! Participants found the Conference most timely and valuable. A few blind-refereed papers, around 25% of those submitted and presented have been selected for publication in the Proceedings. A photojournalistic coverage of the Conference is included. Paper copies of the Proceedings and individual paper reprints can be obtained for a fee by contacting the editor.

We look forward to your contributions at the India-USA Global Business and Networking Strategy Conference 2010, June 11-13, at Comfort Inn Marina Towers, Chennai, India. Information on Registration and the Call for Papers are provided in this Proceedings and can also be accessed at http://tinyurl.com/yfumllm. Interested participants from South Asia can also get the registration details including rates by contacting the editor or:
